

Dear Customer,

This Quick Start Guide is enclosed with detailed dishwasher Operating Instructions. Before using the appliance carefully read the Operating Instructions, especially guidelines for safe use.

Before plugging your dishwasher into the mains power, remove the safety packaging. Do not start the dishwasher before it is properly set up.

1 Turn on the appliance

- Open the dishwasher door, press the on/off button. Power indicator will be on

2 Dispense detergent

- Press the latch to open the detergent dispenser.
- Add detergent to the dispenser.

3 Check the special salt level

- Add special salt to the dispenser when the corresponding indicator on the control panel comes on.

4 Load the dishes

- Remove food leftovers from the dishes
- Place the dishes in the baskets according to loading guidelines.
- It is recommended to load the lower basket first, then the upper basket.

5 Select the wash programme

- Open the door, press the Power button. Choose a program, the response light will turn on.
- Then close the door, the dishwasher will start its cycle.

6 Start your dishwasher

- Open the dishwasher door.
- The dishwasher will start a wash programme.

7 Turn off the appliance

- Turn the appliance off using the On/Off button.

8 Remove dishes from the appliance

- When the dishwasher is off, open the door and wait about 15 minutes before removing the dishes. This will also facilitate the drying process. Hot dishes are more susceptible to cracking.

9 Features and components
